Abeka Economics 2nd Edition

One semester course. Emphasis on free enterprise capitalism in a free market economy sets this book apart from the competition. The Biblical views of work, wealth, and stewardship appear throughout the text, helping students to understand the proper economic roles of individual producers and consumers as well as that of the government from a conservative, Christian perspective.

Abeka | Product Information | Economics: Work and Prosperity

Introduce your students to the concept that has made our country's economic system the envy of the world---free enterprise capitalism in a free market economy. Emphasizing work, wealth, and stewardship from a biblical perspective, this one-semester course covers the differences between market and command economies; the proper roles of individual consumers, producers, and the government; and more.
