consensus panels, national task forces, and governmental entities. The Guidelines are designed to improve physician/practitioner awareness of (and compliance with) effective clinical preventive care, to improve patient education and to increase the percentage of members who receive recommended clinical preventive care services.

### **2018-2019 Preventive Care Guidelines Table of Contents**

Access to preventive services by Medicare beneficiaries improved dramatically in 2011. That year, the Centers for Medicare & Medicaid Services (CMS) eliminated the deductible and coinsurance for most preventive services—including the initial preventive physician examination (IPPE)—and waived deductibles for tests that began as colorectal cancer screening tests, but during which become ...
