From Our Classroom Strategy Library Anticipation Guide

An Anticipation Guide is a strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading a selection, students respond to several statements that challenge or support their preconceived ideas about key concepts in the text.

Anticipation Guides | Classroom Strategies | AdLit.org

An anticipation guide is a comprehension strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading, students listen to or read several statements about key concepts presented in the text; they're often structured as a series of statements with which the students can choose to agree or disagree.
