Breitling for Bentley starts with the A25362 In 2002, Bentley launched the Continental GT, their most powerful Bentley ever. They reached out to an external watchmaker, Breitling, to design the instruments and the onboard clock. This was the beginning of ownership by Volkswagen AG, and the brand had much to prove. The production of watches ...

Inspect the hands of the watch and the pin that holds them in place. On an authentic Breitling A25362, the pin must be the same color as the hands as they are made of the same material. Examine the hands themselves and note the Breitling anchor logo on the second hand. It should be clearly defined as it is laser cut.
