Resetting is a process that restores your range extender's settings to factory defaults. For the Belkin F9K1122 and F9K1015, the reset button can be found at the bottom of the device. NOTE: The location of the reset button varies depending on your range extender's model number. The model number of your range extender can be found on the device's sticker at the back or at the packaging of your ...

Rated 5 out of 5 by TechGuy96 from Great Product! Purchase two yesterday after reading sceptical reviews on Apple website - which obviously do not paint this charger in the best light. Sure the grip on top isn't fantastic, but honestly if the charger is laid on a flat surface you will have no problems whatsoever!
