1 Every art and every inquiry, and similarly every action and pursuit, is thought to aim at some good; and for this reason the good has rightly been declared to be that at which all things aim. But a certain difference is found among ends; some are activities, others are products apart from the activities that produce them. Where there are ends apart from the actions, it is the nature of the ...

One of the earliest systematic treatments of moral theory, Aristotle's Nicomachean Ethics remains a massively influential work today. Not only does he examine lifestyles, happiness, means and ends, and moral responsibility, but he also treats each of the virtuous and vicious states of character in detail.
