Welcome to the Adobe Acrobat SDK Documentation. This documentation is intended for developers who create software that interacts with Acrobat technology. If you do not have SDK, you can download it from the following links ...

Acrobat DC SDK Documentation - adobe.com

Ok, I have solved issue for me. After debugging the minified aviary js I found that my getAuth function was returning a correct json (auth) but I have to add the response header so that the aviary can parse the auth json object into signature, timestamp. SO I have to add below in getAuth method before returning json.

Acrobat DC SDK Documentation - Adobe

We have issues when using Adobe SDK to resave PDF. As PDF format is very flexible, we need to resave the PDF file, similar as when you open a PDF and click menu "Save As" to resave it. The resaved file can be viewed by a lot of other systems such as Snowbound Flexsnap viewer. Though Adobe SDK supports different ways to save a PDF, 1.
