A Practical Guide to Sous Vide Cooking - Douglas Baldwin

Service blueprinting helps you see the experience a customer has with your service from a holistic viewpoint. It gives you not just the end-to-end view of the experience, but also exposes the “backstage, behind-the-scenes” work that shows you not just how the experience is designed, but more importantly how it was delivered.

Guide to Service Blueprinting — Practical Service Design

The guide serves as a comprehensive Crisis Response Plan for schools across the country. It conveys critical information to assist school districts in responding effectively to everyday crisis as well as school-based disasters. The guide has proven to be an invaluable resource for administrators, support personnel and faculty in preparation, for and during, actual crisis situations.
