American Literature Paper

American literature is literature written or produced in the United States of America and its preceding colonies (for specific discussions of poetry and theater, see Poetry of the United States and Theater in the United States). Before the founding of the United States, the British colonies on the eastern coast of the present-day United States were heavily influenced by English literature.

Writing this reflective essay about the experience of studying American literature has made me realize that I have a lot to learn about what America had been in the past. Reading and studying American literature classics would make anyone realize that most of the novels written by the great American writers like Mark Twain, Herman Melville, and J.D. Salinger, among other authors, are ...

Reflective Essay About the Experience of Studying American ...

A literature review may consist of simply a summary of key sources, but in the social sciences, a literature review usually has an organizational pattern and combines both summary and synthesis, often within specific conceptual categories. A summary is a recap of the important information of the source, but a synthesis is a re-organization, or a reshuffling, of that information in a way that ...
