Becoming an AMGA certified alpine guide is a long and demanding process. It not only takes climbing skill and guiding experience it also takes a great deal of hard work on courses and exams. The alpine program is one of the most difficult AMGA programs to make it through. It requires four AMGA courses followed by a ten-day exam to obtain certification (not to mention the avalanche course and ...

I got a manual from the AMGA. I got it free when I took their Rock Instructor course :-). About half of the material was general info and the other half was guiding-related info that would be of no use to the general climber. Marky, I don't know why you think you are entitled to a manual from the AMGA. They are not in the business of giving out "manuals" to the general public but training ...
