APQP Internal Assessment Checklist - Quality-One

General Motors, Ford, and Chrysler all had an APQP deployment and saw the need to come together to create a common core of product quality-planning principles for suppliers. Because supply chains are important in automotive manufacturing, the intent was to make sure supplier partners met customer quality requirements for each component supplied.

The 5 Phases of APQP: An Overview of Key Requirements

Nissan Green Purchasing Guideline Nissan Partners are encouraged to visit the Official Global Website of Nissan for the latest edition of the Nissan Green Purchasing Guideline as needed. Nissan appreciates all suppliers' understanding as well as their cooperation in promoting Nissan's environmental efforts through this guideline.

Nissan Green Purchasing Guidelines

First time users should view the NNA Supplier Portal User Manual located in Supplier Training News section under News. Schedules: Including Production Schedules and Work Day Calendars. Procedures: Including policies, forms, and labels. Suppliers will be responsible for checking the Web site several times per day for any schedule changes or updates.
