The stationary bearings are located centrally in the common bearing housing, which ensure the proper alignment for a true running.

CN MAG-M API ENG-ITA - Magnatex ® Pumps

API 682 2nd edition. One of the major criticisms of API 682 1st Edition was that all the seals were "heavy duty" and therefore expensive with no alternatives for easy services. To some degree, this was intentional and was done in order to reduce inventory, promote familiarity with a limited number of seal types and to increase reliability. ...
