EDinformatics's Practice Tests. The Department of Education in most states provides practice tests, but you can also check EDinformatics, which offers printable and archived tests from previous years for several different states. Because the majority of 3rd grade standardized tests cover reading and math, your child can use any state's practice exams to review.

Make a cute hat with a picture of fall leaves and acorns. The hat reads, "Fall is here." Students can color in the pictures, cut out the hat, assemble it, and wear it around the school. We recommend you print this on card stock paper.

### **Autumn Worksheets**

I used iBooks Author to create an iBook. It is designed to help children understand what length is, and to help them to build a collection of useful referents for centimetres - but it will work best if there is an adult beside the child encouraging, questioning and supporting them through the exploration.

### **MathTappers**

Third grade Core concepts should be integrated with concepts and skills from other curriculum areas. Reading, writing, and mathematics skills should be emphasized as integral to the instruction of science.
