The abortion debate is the ongoing controversy surrounding the moral, legal, and religious status of induced abortion. The sides involved in the debate are the self-described "pro-choice" and "pro-life" movements. "Pro-choice" emphasizes the right of women to decide whether to terminate a pregnancy.

Position Summary: The National Abortion Federation is the professional association of abortion providers in North America. NAF's Public Policy Department works to provide medical expertise to

policy makers and to ensure that the voices of abortion providers and patients are heard in policy forums across the country.

**Careers - National Abortion Federation**

The questionnaire study performed before abortion showed that most women (37/58) experienced only painful initial feelings towards the pregnancy, such as unreal, despair, panic and grief while the rest (21/58) also had positive feelings, such as wonder and happiness. Furthermore, a third (18/58) reported that they knew even before getting pregnant that they would choose to have an abortion if ...

The relationship between induced abortion and mental health is an area of political controversy, though scientific and medical expert bodies have repeatedly concluded that induced abortion poses no greater mental-health risks than carrying unwanted pregnancies to term.. In 2008, the American Psychological Association concluded after a review of available evidence that induced abortion did not ...

This study examines the association between religion and attitudes toward the practice of abortion and abortion policy in Brazil. Drawing upon data from the 2002 Brazilian Social Research Survey (BSRS), we test a number of hypotheses with regard to the role of religion on opposition to the practice of abortion and its legalization.
