Factors that Affect the Cost. The cost of transmission repair varies widely based on a number of factors, the most important of which is the type and extent of the repairs being performed by the mechanic.

### **Transmission Repair Cost Guide**

This is an interesting topic and one that there is much debate. The first day of automotive school I was taught to expect at least 40% of the shop rate and 50% with a specialty like transmissions or emissions because it required extra schooling and tools. In 1985 at age 19 when I started at my first dealership the shop rate \$27 an hour and I was paid \$13.50 of it with full benefits for the wife ...
