Arch Linux Overview of Arch Linux describing what to expect from an Arch Linux system. Frequently asked questions Notable questions and facts about the distribution. Arch compared to other distributions Summarizes the similarities and differences between Arch and other distributions. Installation guide Guide through the process of installing ...

Arch Linux - ArchWiki

i have been away from arch (and linux) for a couple of years... I recently decided to load it back on. There used to be a 'beginners guide' in the wiki. this was, in my humble opinion, a great doc to help navigate and learn the nuances of linux. It is no longer there. any references to it just redirects to the 'installation guide'.

beginners guide / Newbie Corner / Arch Linux Forums

The Beginner's Guide was an excellent resource that you could point someone new to Linux at, as an excellent introduction to the basics, that would leave you with an incredible operating system when you're done with it. The Beginner's Guide could get you from 'zero' to Arch over the course of a day or so.
