Apple Supplier Responsibility Standards The following standards (each a "Standard"; collectively, "Standards") supplement the Apple Supplier Code of Conduct ("Code") by providing additional clarity regarding Apple's requirements. Apple Suppliers must meet these Standards to be in compliance with the Code.

Apple Supplier Responsibility Standards

Standard sizing charts for o-rings, metric o-rings, quad-rings, x-rings, and square-rings to find the perfect fit. Engineers are available to assist with o-ring size charts, o-ring material selection, and groove design when you're ready to order o-rings.

O-Ring Size Charts - Metric O-Rings - Standard Size O-Rings

Material selection is one of the foremost functions of effective engineering design as it determines the reliability of the design in terms of industrial and economical aspects. A great design may fail to be a profitable product if unable to find the most appropriate material combinations. So it is vital to know what the best materials for a particular design are.

Basic Facts to Consider for Material Selection in Engineering

For those who are not qualified customers, are not eligible for an early upgrade, are purchasing an unlocked iPhone, or wish to buy an iPhone as a gift, see your carrier, an Apple Retail Store Specialist, the Apple Online Store, or an Apple Authorized Reseller for pricing. In CA and RI, sales tax is collected on the unbundled price of iPhone.
