E/M Documentation Templates. In answer to many requests for assistance with the Medicare documentation requirements for Evaluation and Management (E/M) services, The ACOG Committee on Coding and Nomenclature has developed two templates that should make it easier for ob/gyns to comply with existing rules.

E/M Documentation Templates - ACOG

If you're not an expert evaluation and management (E/M) coder, the mere mention of the 1995 and 1997 Documentation Guidelines for Evaluation and Management Services might make you a bit tentative. If you read the guidelines one section at a time, Jennifer Della'Zanna, CPC, CGSC, CMT, explains that it's really an application of common sense that emerges as the best way to tackle E/M coding.
