*Our digital library hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one.*

*Merely said, the atls study guide for physicians is universally compatible with any devices to read*

**Atls Study Guide For Physicians**

I'm an incoming EM intern, just took my pretest and got an 85% without studying. I heard the failure rate for the actual ATLS multiple choice exam is as high as 50% however. I really don't want to fail! Does anyone know of a good resource I can subscribe to or purchase geared specifically for ATLS? A Qbank or unofficial study guide would be nice.

Advanced trauma life support (ATLS) is a training program for medical providers in the management of acute trauma cases, developed by the American College of Surgeons. Similar programs exist for immediate care providers such as paramedics. The program has been adopted worldwide in over 60 countries, sometimes under the name of Early Management of Severe Trauma, especially outside North America.

### **Advanced trauma life support - Wikipedia**

ACLS Medical Training has compiled information from the American Heart Association guidelines and primary medical literature to create an innovative learning experience. All course materials were written and reviewed by our team of U.S. nurses, paramedics, and physicians, ensuring the highest possible quality and scientific accuracy.
