The Big Book Study Guide - by Ken W. - Silkworth.net

Cooperative education (or co-operative education) is a structured method of combining classroom-based education with practical work experience. A cooperative education experience, commonly known as a "co-op", provides academic credit for structured job experience. Cooperative education is taking on new importance in helping young people to make the school-to-work transition.

Cooperative education - Wikipedia

Signs and Symptoms The unique nature of your pain may give your physical therapist some insight into why you are experiencing it. Traditionally, the amount of time a person has been experiencing pain is an important indicator.
