What was the answer to the quartile question? I put 41-50. What was the answer to the part 3 or 4  
radical question? I kept the answer over 3 because it said to keep it in radical form. What was the  
answer to the very first question? I put 84.6 something like that. It was choice one. One last  
question... What was the answer to the survey question that would be the least biased?
