Creating a budget for your business helps focus efforts and financial resources to your company's most important goals. You'll concentrate on sales targets when creating the revenue portion of your budget and think through each cost for the expenses, whether it will vary from last year, if you can cut the expense this year, and many other questions.

Sample Business Budget Template for Income and Expenses

Definition/Description: Reciprocal teaching is a strategy that allows the students to become the teachers in a small group. How it works is students are placed into groups of four usually, or more and two students share the same "job". Each student is given a job to do while they read the assigned text.

Breaking Down Plutchik's Wheel of Emotions. Primary: The eight sectors are designed to indicate that there are eight primary emotion dimensions. They are anger, anticipation, joy, trust, fear, surprise, sadness and disgust. Intensity: The cone's vertical dimension represents intensity - emotions intensify as they move from the outside to the center of the wheel.
