Games Workshop's books are getting more and more expensive, so I was glad that the Dark Eldar codex is only \$33 (because it's 5th Ed.). You'll really get your money's worth with this one because the book is packed with amazing artwork and background information on one of the most deranged and sinister forces available for you to play in the 40k universe.

Revisiting 40k: Eldar ... and a kind of slick cyberpunk that doesn't get as much play in other 40k factions. The 6th edition codex was their high water mark for me. In general though I think Warhammer hits a real sweet spot between the Tolkien and Moorecock influences. High Elves and Eldar have one of the better fantasy game religions.
