Best 10 inch Rough In Toilets (2019 Complete Guide) The more compact your bathrooms are, the less likely they are to be equipped to handle 12 inch options. Additionally, if you live in a house that was built quite a long time ago, you may find that in measuring the distance, will result in it being a 10 inch rough in.

Best 10 inch Rough In Toilets (2019 Complete Guide)

American Standard has become my favorite bathroom fixture manufacturer and I find myself always choosing their products over that of their main competitors - Moen and Kohler. American Standard has comparable quality to Kohler for less money, and for similar money to Moen is a cut above in durability (just my experience-based opinion).
