A transcript of the conference proceedings and a copy of all written comments will be maintained in Docket ID No. EPA-HQ-OAR-2015-0310, which will remain open until October 27, 2015, for the purpose of receiving additional comments after the conference and the public hearing on the proposed revisions to the Guideline.

Federal Register :: Revision to the Guideline on Air ...

After the publication of the Annex 15 draft at the beginning of February 2014, the EMA made a move towards the revision of its process validation guideline. The final document was published on 27 February 2014. For a long time now, the EMA had already announced this revision in a concept paper. The objective of the revision was to integrate modern GMP aspects:

EMA publishes New Process Validation Guideline

The revision of the guideline has allowed clarifying some inconsistencies, to revise the decision tree, to harmonize with Q3B and to address some editorial issues. The Attachment 2 of this guideline has been revised under Step 4 without further public consultation on 25 October 2006 (Q3A(R2)).
