A "Victrola" has an internal horn, often with doors in front that open and close to control the volume. Both are products of the Victor Talking Machine Company. Victors were made in the 1901 until the early 20's. Victrolas were made from 1906 up through 1929, when RCA bought the company (and became "RCA Victor")

### The Victor-Victrola Page

Victrola Operating and Maintenance Instructions. This is a page-by page copy of the original 1920 VV-XI owner's manual, which may give users some insight into the operation and basic maintenance of Victrolas. Most models operate similarly, although different motor and brake combinations are common, depending on vintage and specific model ...
