Fully deploy and configure new PCs in minutes Mass-deploy hardware-independent images of a reference system to new and existing systems using Symantec Ghost technology. Migrate to the latest Windows version- move user data, personality settings, OS and application settings to the new operating system

Altiris Deployment Solution | Cloning, imaging and ...

Hi, thanks for the work, your installers work great! Two things: The VLC Media Player-x64-v2.1.5.msi installs the x32 version on my Windows 8.1 x64 machine (which is not really a problem, since I only did that for testing purposes at home, all the machines at work still use the x32 version), am I doing anything wrong?

I read this, and I was like wow, Its amazing. I do have questions around this "Actually - performing this step not only doesn't have any effect on overall processing time, making it a completely useless exercise, it also encourages administrators to split GPOs into "user-only" and "computer-only", which actually increases logon times because (as per the section above), it ...
