Don't Just Open Books. Open Minds. The Full Option Science System springs from a philosophy of learning at the Lawrence Hall of Science that has guided the development of successful active-learning science curricula for more than 25 years. The FOSS developers are dedicated to the proposition that students learn science best by doing science. Teachers and students do science together when they ...

Introduction to Mathematical Mindset Algebra . This 4-week curriculum unit we have developed is one that can be used to introduce algebraic concepts at any grade level. It draws upon algebraic research showing that it is more helpful for students to learn algebra through studying pattern growth where a variable represents a case number, and can vary, before learning about "solving for x ."
