I want to print the user manual for PSE 2018 but I can't find a printable version. In the past Adobe has made a pdf version available, but it does not appear to be the case with this new edition. Is there one available now and if so, where? Is there ever going to be a printable version available? Thanks for any help about this.

A Computer Darkroom Tutorial: A pet peeve of many Adobe Bridge users is features that don't work in a manner that makes their use as intuitive as they should be. A good example of such a feature is "Collections". For example, in Photoshop Elements the user can define a Collection and then drag a "virtual copy" of any image or group of images they like into the Collection.
