The brawny Audi Q8 is the company's first—and biggest—SUV coupe, exterior designer Sascha Heyde says. Left unsaid is the idea that consumers are increasingly turning their backs on traditional three-box sedans, resulting in the Q8 likely displacing the A8 as Audi's flagship model when it arrives in the North America late this year. The Q8 shares its [...]

I have done a ton of searching and found how to accurately program a key fob on the forums. The problem with all the directions that I had found was that once I programmed one key fob, the others would erase. None of the directions showed all the steps to program more than one key correctly without losing the others (which most people will have).
