Photorealistic Rendering Techniques in AutoCAD® 3D 2 Rendering creates a 2D image based on your 3D scene. It shades the scene's geometry using the lighting you've set up, the materials you've applied, and environmental settings such as

Photorealistic Rendering Techniques in AutoCAD 3D

The CSA Newsletter was a Web-based publication produced three times per year — April (formerly called the Spring issue), September (formerly called the Fall issue), and January (formerly called the Winter issue). Prior to Volume X (1997-8) there were four issues per year: May, August, November, and February. An Internet distribution list was maintained for those who wished to be notified ...
