I did not pass exam FM the first time because I was an undergraduate student and scheduled the exam a day after finals. However, the infinite actuary gave me a free second six months of access. After going through all of the video lessons, which were excellent and easy to follow, I had one month to complete as many practice problems as possible.

If you are surprised by any problem on the exam, you are likely to miss that problem. Yet the difference between a 5 and a 6 is one problem. This "surprise" problem has great marginal value. There is simply not enough time to think on the exam. Thinking is always the last resort on an actuarial exam.
