Have you seen the product? I saw a friend's 3rd grader's A grade "research paper", and basically it was three short paragraphs, copied almost verbatim from three sources, with a short introduction and conclusion. And this is a bright, well above grade level child, at what is probably the best public elementary school in the district.

2nd grader having to do a research paper - General ...

This week we have been working on nonfiction research. After we did our whole group study on whales, I wanted to take it a little further and do cooperative research where my students were the teachers and leaders and I was just facilitating. I decided that we would stick with animals because every 2nd grader is just absolutely enthralled with animals of all kinds!
