ATA List - Mobile Tech

ATA 100 contains the reference to the ATA numbering system which is a common referencing standard for commercial aircraft documentation. This commonality permits greater ease of learning and understanding for pilots, aircraft maintenance technicians, and engineers alike. The standard numbering system was published by the Air Transport Association on June 1, 1956.

An electrical wiring interconnect system (EWIS) is the wiring system and components (such and bundle clamps, wire splices, etc.) for a complex system. The term originated in the aviation industry but was originally designated as Electrical Interconnection Systems (EIS). The change from EIS to EWIS was done to emphasize the focus on the actual wires and wiring of the systems throughout aircraft.
