Introduction. Population growth is a critical challenge facing sub-Saharan Africa (SSA) in the twenty-first century, as the region's population currently stands at 900 million people, and is projected to double by 2050 (Population Reference Bureau, 2012).The majority of people in SSA live in rural areas, which are experiencing rapid population growth and declining per capita farm sizes.

How does population density influence agricultural ...

Inquiry-based learning (also enquiry-based learning in British English) is a form of active learning that starts by posing questions, problems or scenarios. It contrasts with traditional education, which generally relies on the teacher presenting facts and his or her knowledge about the subject. Inquiry-based Learning is often assisted by a facilitator rather than a lecturer.

Inquiry-based learning - Wikipedia

An ecosystem (or ecological system) is a collection of communities of organisms and the environment in which they live. Ecosystems can vary greatly in size.
