This is a clear and helpful article, thanks. I did note a typo though near the top of the article – the sentence “To use in interactive mode type nslookup at the command line and hit return” should read “To use in interactive mode type nslookup at the command line and hit return” (missing “u” in “nslookup”).

Paths and Challenges. RuneScape has a classless progression system and a vast, open world. It can be hard to decide what to do first. If you ever need a nudge in the right direction, the Path System is for you. It'll point you to content based on your choice of three categories: questing, combat and non-combat skills.

### **Beginners' Guide - RuneScape**

1. Why this guide? The primary reason for writing this document is that a lot of readers feel the existing HOWTO to be too short and incomplete, while the Bash Scripting guide is too much of a reference work. There is nothing in between these two extremes.
