Dane Wigington GeoengineeringWatch.org. Extremely powerful ground based microwave transmission facilities are being used in conjunction with the ongoing atmospheric aerosol spraying operations to completely manipulate Earth's climate systems.The planet's former weather equilibrium has long since been completely derailed, natural weather is no more.

Climate Engineering, Microwave Transmissions, And The ...

Science in a broad sense existed before the modern era and in many historical civilizations. Modern science is distinct in its approach and successful in its results, so it now defines what science is in the strictest sense of the term. Science in its original sense was a word for a type of knowledge, rather than a specialized word for the pursuit of such knowledge. In particular, it was the ...
