Restaurants & catering While public eateries existed in Ancient Rome and Sung Dynasty China, restaurants (we know them today), are generally credited to 18th century France. The genesis is quite interesting and not at all what most people expect. Did you know the word restaurant is derived from the French word restaurer which means to restore? The first French restaurants [pre-revolution] were ...

Reflection. What is reflection? Reflection is the examination of personal thoughts and actions. For practitioners this means focusing on how they interact with their colleagues and with the environment to obtain a clearer picture of their own behaviour. It is therefore a process by which practitioners can better understand themselves in order to be able to build on existing strengths and take ...
