I agree with PP. Someone gave me a Baby Bjorn for free. It sucked. I heard not to use the Baby Bjorn because it hurt people's backs once the baby got 15lbs+ but it already hurt my back when baby was like 10lbs. I used it 2x and bought myself an Ergo. I am a size 20 and it fits me fine with plenty more room left on the buckles.

However, I saw a larger mom using one the other day and she looked like the carrier fit her fine. I was just wondering if any other plus size moms out there can recommend a good carrier.
