I like handbook, however the "rehashed"nature of new yearly version makes it a poor buy. The ARRL is the only publishing company that needs to publish " a reference " book every year. If it was such a good reference it would not need a new edition every year! What I would like to see is the approach ...

Yeah, I was also thinking tha 2010 would be a good year for a new handbook. I might even spring for a hard-cover if they still make them. I've been collecting a few vintage handbooks myself -- mostly by watching Abebooks.com and Amazon.com. Typically the used book sellers represented on these sites have a much greater selection than swapmeets and are far more reasonably priced than the crazy ...
