Those of you who play our puzzles may already know of "asmit" as the name at the top of many of our leader boards. Asmit, real name Arian Smit, clearly knows a thing or two about Scrabble, and he's been investigating a question for us that many players have pondered: "What is the highest possible scoring Scrabble move?"

Building on this analytical frame we derived two figures that help visualize similarities and differences between the narratives. On Fig. 1(a) we cluster the narratives according to their predominant topical focus – what are they about? - including modernization, social justice, environment and security. On Fig. 1 (b) we map narratives in relation to the governance approach they are ...
