Wondering how many pages 250 words takes up? Well, the answer is about one half page single spaced or one page double spaced. This of course depends on what font size, line spacing and page margins you are using, but on average a word count of 250 words will yield around half a page single spaced and a whole page double spaced when set in either Times New Roman or Arial at a 12 point font size.

How Many Pages is 250 Words? - Word Counter

To write an APA-style paper, use a 12-point font size, double spacing, and 1-inch margins all around. You should also include a title page with the title of your paper and your name and institution. Also, include a page header at the top of every page that gives a brief synopsis of your paper's title in under 50 characters.
