During the American Civil War (1861–1865), the Union, also known as the North, referred to the United States of America and specifically to the national government of President Abraham Lincoln and the 20 free states, as well as 4 border and slave states (some with split governments and troops sent both north and south) that supported it. The Union was opposed by 11 southern slave states (or ...

Historians debating the origins of the American Civil War focus on the reasons why seven Southern states declared their secession from the United States (), why they united to form the Confederate States of America (simply known as the "Confederacy"), and why the North refused to let them go. While most historians agree that conflicts over slavery caused the war, they disagree sharply ...
