Best Bachelor's Degree Programs in Accounting for 2018-19

A corporate group or group of companies is a collection of parent and subsidiary corporations that function as a single economic entity through a common source of control. The concept of a group is frequently used in tax law, accounting and (less frequently) company law to attribute the rights and duties of one member of the group to another or the whole.

Corporate group - Wikipedia

The Postal Service's eCareer application system process is automated. Instead of applying to take a standardized exam for a specific occupation, you now apply for an actual job vacancy. This is far more efficient, and you will know within two to six weeks of the job announcement's closing date whether or not you are being considered for the position.
