Alesis. Few companies in the music gear industry have achieved a jack-of-all-trades status like Alesis. In addition to revolutionizing fields including digital effects and multichannel recording, Alesis has provided generations of artists and engineers with affordable equipment for most aspects of music production.

Alesis | Sweetwater

The only downside for the Alesis Command Kit worth noting was the not-so-easy setup process, but this is not nearly enough to discount its sheer playing ability. It doesn't help that the manual is not very explanatory, with mere diagrams without any real instruction.

Alesis Command Kit Review 2019 | Buyer's Guide and Information

One of Alesis' goals is to make high-quality music technology available to everyone. This Reference Manual is an important part of that, because in it we try to present the DEQ230's features in a way that is easy to understand and remember. But even beyond explaining each feature and parameter, this manual can be the key
