Which of the following statements about competitive marketing intelligence is correct?

A. Companies should not be concerned about competitors accessing publicly available information about them. B. Monitoring a competitor's website is unethical. C. The goal of competitive marketing intelligence is to improve strategic decision making.

Chapter 4 study questions Flashcards | Quizlet

This course is intended to introduce important concepts in agricultural marketing. We will examine links between producers and consumers and factors that may cause changes in those links. Because agricultural markets are often fluid and changes can occur rapidly, we will seek to study current events and examine their effects on agricultural markets.
