The history of art focuses on objects made by humans in visual form for aesthetic purposes. Visual art can be classified in diverse ways, such as separating fine arts from applied arts; inclusively focusing on human creativity; or focusing on different media such as architecture, sculpture, painting, film, photography, and graphic arts. In recent years, technological advances have led to video ...

Several different editions of the Dungeons & Dragons (D&D) fantasy role-playing game have been produced since 1974. The current publisher of D&D, Wizards of the Coast, produces new materials only for the most current edition of the game. Many D&D fans, however, continue to play older versions of the game and some third-party companies continue to publish materials compatible with these older ...

Shang bronzes became appreciated as works of art during the Song Dynasty (960 – 1279 C.E.), when they were collected and prized not only for their shape and design but also for the various green, blue green, and even reddish patinas created by chemical action as they lay buried in the ground. The study of early Chinese bronze casting is a specialized field of art history.
