American public policy : an introduction (Book, 2012 ...

Introduction. Government action makes the market economy possible. America's huge free-market economy and its participation in an increasingly global economy depend heavily on government policies. Public policy is an officially expressed intention backed by a sanction (either a reward or a punishment). In that public policies are critically important to ordering the economy, political actors seek to manipulate and change those policies, but changes are infrequent and hard won.
