Argenti paul 2012 corporate communication 6th edition by ...

Argenti's Corporate Communication was the first text to tackle this subject, and now in its fourth edition, it remains the most comprehensive book in this field. Corporate Communications describes the changes in the environment for business that have taken place over the last half-century, and their implications for corporate communication.

Corporate Communication by Paul A. Argenti - Goodreads

Paul Argenti, a professor of corporate communication at Tuck, keeps a short list of companies that have made howling communications and business mistakes. The pantheon features firms such as Enron, BP, and Toyota—the latter for its mismanagement of a large recall in 2009 and 2010. Now one more company joins the ranks: Netflix.

Corporate Communication | Paul A. Argenti

Corporate Communication, 6th Edition shows readers the importance of creating a coordinated corporate communication system, and describes how organizations benefit from important strategies and tools to stay ahead of the competition.
