- When people just need a little help or a short answer, they won't take on a 75-page document, no matter how beautifully written. That's where a quick start guide comes in handy. It's short, easy to read, and focused on helping users get started with your product, service or tool. I'm Leslie O'Flahavan, and I'm glad you're taking this course on how to write a quick start guide.
